Dear School

Free Online Guide - 'New Drivers'

Learning to drive is a rite of passage for many young people however evidence shows that young drivers are more likely to be involved in a crash than any other age group.

To support safe and sensible driving from the start and to help young people gain a better understanding of what they can do to stay safer behind the wheel, the following free and comprehensive online guide is available from the link detailed below.

- New Drivers
Access to information and advice for new drivers on obtaining and keeping a driving licence.

This 'Guide for New Drivers' provides young people within information regarding finding the right driving instructor, the theory and practical tests as well as road safety risks and dangers. Essential post-test information such as buying a car, insurance, penalty points and losing your driving licence are also covered.

It would be appreciated if the above link could be shared to young people as appropriate e.g. newsletters, social media or by any other means of promotion used by the school.

Thank you for your assistance towards road safety promotion. Should you require further information please do not hesitate to contact Colin Smith on 01698 453757 or by email colin.smith@southlanarkshire.gov.uk.

Yours sincerely
